

Announcement of Seminar in Therapeutic Eurythmy for Animals

16th and 17th November 2024

This weekend we want to get to know the possibilities that eurythmy can bring to animals who are ill or animals suffering from the consequences of trauma. We will cover the basic elements to start this new form of eurythmy. Alternating lecture/discussion and practical exercises with animals on site will be given.

Course leaders:

Christine van Draanen - therapeutic eurythmist for animals, The Netherlands

Dr. Med.Vet. Sabrina Menestrina – Coordinator of the Veterinary Anthroposophic Medicine Department at the Medical Section of the Goetheanum

Dr. Med.Vet. Markus Steiner – Clinic for Acupuncture, Pulse diagnostic, Osteopathie, anthroposophic veterinary medicine, and holistic horse teeth care
